Dear Parents/Guardians,

The Triton Middle School Task Force has been formed and held their first meeting on Tuesday, March 27, 2007. Members of the task force include:

Parents:	Denise Mills	Newbury Elementary School
	Paul Lees	Pine Grove School
	Nancy & Mike Reusch	Salisbury Elementary School
	Karen Drahozal	Triton Middle School
	Patty Sommers	Triton Middle School
Faculty:	Janet Tosi	Grade 7 Teacher
	Paige Ribaud	Grade 8 Teacher
	Sandi Kearney	Special Education Teacher
Administrators:	Nancy Reed	TMS Assistant Principal

Minutes of the meetings will be posted to the Triton Regional School District website ([www.trsd.net](http://www.trsd.net)) under the link *About Triton*. On that site the link *News and Information* will contain the minutes from these meetings.

The Task Force was established to research grouping practices as they pertain to middle schools and to present these findings to the superintendent. This information will be shared with parents by the Task Force over the next school year. **Therefore, there will not be any grouping changes implemented during the 2007-2008 school year.**

Members of the Task Force want to know what questions or concerns you may have on the topics of tracking and/or grouping practices (homogeneous or heterogeneous grouping). Please review the minutes for the list of questions the task force will address. If you have additional questions, please email them to Kathy Willis ([kwillis@triton.info](mailto:kwillis@triton.info)) by Friday, April 27, 2007 and she will compile them for review at the next Task Force meeting scheduled for May 1, 2007.

Thank you for your continued interest in your child's education.

Sincerely,

Sandra J. Halloran  
Superintendent

Kathleen M. Willis  
Assistant Superintendent
