August 26, 2009

Dear Parents and Students:

The FY10 budget continues to support reduced fees for this school year. However, the Triton Regional School District reluctantly continues to charge user fees for student participation in after-school activities and athletics. For the 2009-2010 school year, user fees will be charged at our elementary schools, middle school, and high school with a family cap of \$1,750. The funds generated will account for a portion of the total cost of maintaining our student activity and athletic programs.

User fee payment for both athletics and activities should be paid in the form of a check or money order made out to the Triton Regional School District. The user fee must be paid by the end of the first week of the sport or by the second meeting of the activity. ***If the fee is not paid by Monday of the second week of the sport or by the second meeting of an activity, the student will not be allowed to participate in practices, games or activities until the fee is paid.*** In order to facilitate record keeping, all payments should be brought to the principal's office at the elementary schools and the middle school and to the athletic director's office at the high school.

All students are encouraged to participate and are reminded that school principals can reduce or waive fees altogether for financial hardship upon request. The fees listed below are per activity or sport. If the activity or sport spans the full year, then it is a onetime charge. If it is a seasonal sport, this fee is per sport.

HIGH SCHOOL PROGRAMS	
Activity/Program/Sport	
Business Professionals of America	\$50
Community Service	\$0
Freshmen Focus/Ignite	\$0
Leaders' Club	\$0
