September 24, 2007

Dear Parents/Guardians,

As you are aware, the Route 1A bridge over the Parker River will be closing this Thursday, September 27th for repairs that are expected to take a full two years to complete. Due to this fact, and the impact that it has on the bus routes, we have chosen to add an additional bus route for Newbury Elementary School, and rework an existing Rowley bus route for Newbury students at the Middle/High School. You are receiving this letter because your child(ren) is affected by this new route(s).

Beginning this Thursday, September 27, 2007, an additional route will be added for Newbury Elementary School. This route will begin at 7:55 a.m. at the corners of Newbury Neck Road and Marsh Avenue and will then make 2 more stops before returning to Newbury Elementary. The route back to NES will be Route 1A South to Rowley before cutting across to Route 1, and then Route 1 North to Newbury Elementary School. The stops are listed on the back of this sheet and are in the AM order. The PM order is the exact reverse, leaving Newbury Elementary School at approximately 3:08 p.m. For the few AM Kindergarten students who will be transported home, they will be dropped at the normal stop at the end of Old Rowley Road.

For the Regional Middle/High School runs, there will not be an additional run added, but the students will be added to an existing Rowley (R6) route with very little impact to timing. There will be two stops added and are outlined on the reverse side of this letter.

We anticipate that this will alleviate the concerns raised over the past few months regarding the bridge closure. However, should you have any questions or need any clarification, do not hesitate to contact Brian Forget in the Central Office at (978) 465-2397. In addition, these new routes are posted to the District Website at <http://www.trsd.net>.

Respectfully,
