## Superintendent's Advisory Council

I am seeking volunteers to participate as members on a newly created superintendent's advisory council. I am asking parents and interested community members to be part of this council. My goal is to have representation from each of our three communities with a total membership of ten to fifteen people. The purpose of this council is to establish a forum which allows issues and concerns to be brought forward for discussion. With this in mind, I hope all members of the council will engage in meaningful conversations regarding the current status and future direction of our district. If you are interested in becoming a member of the advisory council or would like further information, please contact my administrative assistant, Patty Morelli (email: [pmorelli@triton.info](mailto:pmorelli@triton.info) or telephone: 978-465-2397).

The first meeting of the council will be scheduled for a date in January. Meetings will be held on a monthly basis.

Thank you,

A handwritten signature in blue ink that reads 'Sandra J. Halloran'.
