

The Triton Special Education Parent Advisory Council:

Proudly Presents:

EdTech Solutions: Teaching Every Student

By: Karen Janowski

(This presentation is appropriate for parents and educators)

Please Join us on:

October 22, 2008

@ 7 p.m.

Location: Newbury Elementary School Auditorium

Karen Janowski is on the faculty in the Assistive Special Education Technology graduate program at Simmons College in Boston, MA. She has 30 years of experience as an occupational therapist, for the past 18 years in K-12 education and previously in clinical settings in Philadelphia and Boston. She speaks nationally on a variety of topics related to emerging technologies, strategies for struggling learners and assistive technologies. She is the owner of EdTech Solutions, LLC and provides consultations, trainings and evaluations to school districts throughout the greater Boston area. She serves on the Assistive Technology Act Advisory Council and is a School Committee member in her community.
