

Supporting Your Child In the Community

Presented by:

Renee Dean, MA Ed

Educational Consultant, Melmark New England

Thursday, March 27, 2008

10am-Noon

6 Southside Rd, Danvers

- Why is community involvement important?
- How can I provide support to my child?
- How do I determine which activities are appropriate?
- What are some different ways that children with special needs can be included in extracurricular activities?
