

Triton Vikings
Boy's Baseball and Girl's Softball Teams
Present

An opportunity to come together as a community in a special baseball event that would benefit the children in our district with special needs.

Children in kindergarten and up, who are unable to participate in regular baseball leagues due to their disabilities, are invited take part in this special event. Each child would be paired up with a buddy from either the boy's baseball team or the girl's softball team. We would like to have an awards ceremony and cookout after the game to celebrate each child. **In order to put this event together for May or June we need to identify interested participants.** If your child would like would to participate, please contact Linda Rivera at hotfoot98@hotmail.com or (978) 465-2385. A full registration form can be sent to you or you can download it from our website at www.trsd.net, click on Pupil Services, then the PAC homepage on the right.

We are very excited about this opportunity. It is truly a win/win situation for all involved! Please join us. Call to show your interest or register today.
