

Special Education Parent Advisory Council
Triton Regional School District

Dear Friends,

The Triton Regional School District's Special Education Parent Advisory Council has recently been reorganized. The new co chairs are Linda Rivera and Susan Beausoliel. We would like to take this opportunity to thank outgoing President Dawn Atkinson for all of her hard work. Under her leadership the website was created and the newsletter became a reality. She will be missed and hopefully able to join us again in the future.

We would also like to take the opportunity to thank Mary Clare Dazell, outgoing Treasurer. Mary Clare has been a valuable voice on the council for many years and will be missed by all. She leaves us with money in the Treasury, a first for the council. Thank you Mary Clare. Hopefully she will also be able to join us again in the future.

We would further like to extend our utmost appreciation to Nancy Lucier for designing our logo. She worked very hard and her creative talents are clearly evident. Thank you Nancy.

As co chairs, we will continue to carry on the work of becoming a strong support for our community and advisors to the district in the area of Special Education. It is our hope that you will plan to attend the Triton SEPAC meetings, which are held on the third Wednesday of each month in the Triton High School Library at 7 p.m. This is a valuable and positive time to learn and share.

Our next meeting in April, will feature a presentation by Sarah Ward, a well known speaker on Executive Functioning. This will be held at the Knock Middle School in Newburyport. Our May 21st meeting will feature a presentation on Study Skills by Nancy Reed, Assistant Principal Triton Regional Middle School. Please look for a flyer with more information regarding both these exciting speakers and topics. We hope to see you there.

Best Regards,

Susan Beausoliel and Linda Rivera, Co Chairs
